At the last AGM held on 28 May 2025, the Company procured and renewed its shareholders' mandate for the GCB Group to enter into RRPT. The said shareholders' mandate shall, in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming AGM of the Company unless authority for its renewal is obtained from the shareholders of the Company at the said AGM.

The Board of Directors had on 15 April 2026 announced to Bursa Securities on its intention to seek the shareholders' mandate for renewal of the existing RRPT in accordance with the Listing Requirements as set out in Section 4 of this Circular.

The purpose of this Circular is to provide you with the relevant information on the Proposed Shareholders' Mandate, to set out the Board's recommendation and to seek your approval for the ordinary resolution to be tabled at the forthcoming AGM of the Company. The Notice of the AGM and the Form of Proxy have been incorporated into the Company's Annual Report 2025, which are being circulated to you together with this Circular.

YOU ARE ADVISED TO READ AND CONSIDER THE CONTENTS OF THIS CIRCULAR CAREFULLY BEFORE VOTING ON THE RESOLUTION PERTAINING TO THE PROPOSED SHAREHOLDERS' MANDATE TO BE TABLED AT THE FORTHCOMING AGM.

- (ii) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted by a listed issuer with an issued share capital of RM60 million or above pursuant to the shareholders' mandate during the financial year where:
 - (a) the consideration, value of assets, capital outlay or costs of the aggregated Recurrent Related Party Transactions is RM1 million or more; or

An interested Director or Major Shareholder must ensure that Persons Connected with him are abstained from voting on the resolution approving the RRPT; and
- (v) the listed issuer will make immediate announcement to Bursa Securities when the actual value of a Recurrent Related Party Transaction entered into by the listed issuer, exceeds the estimated value of the Recurrent Related Party Transactions disclosed in the Circular by 10% or more and must include information as may be prescribed by the Bursa Securities in its announcement.

Accordingly, the Board proposes to seek your approval for the Proposed Shareholders' Mandate to enter into RRPT of a revenue or trading nature in the ordinary course of business based on normal commercial terms, at arm's length, which are not more favourable to the Related Parties than those generally available to the public and which are necessary for GCB Group's day-to-day operations

3. VALIDITY PERIOD

Pursuant to Practice Note 12 of the Listing Requirements, the shareholders' mandate is subject to annual renewal and any authority conferred by the mandate shall only continue to be in force until:

- (a) the conclusion of the next AGM of the Company following the general meeting at which the resolution for the Proposed Shareholders' Mandate was passed, at which time it will lapse, unless by a resolution passed at the AGM, the authority is renewed; or

whichever is earlier.

3. VALIDITY PERIOD (CONT'D)

Where the Company has procured the shareholders' mandate pursuant to the above, the provisions of Paragraph 10.08 of the Listing Requirements shall not apply during the period of validity of the shareholders' mandate.

In addition, credit control measure has been put in place whereby the Group has constantly followed up with the Related Parties with reminders sent.

4.5 Deviation from Mandate

The actual value of the Recurrent Related Party Transactions did not exceed the estimated value as approved under the previous mandate granted to GCB at the last AGM.

4.6 Rationale

The Proposed Shareholders' Mandate will enable GCB Group to continue to carry out recurrent transactions necessary for the Group's day-to-day operations and enhance the Group's ability to pursue business opportunities which are time-sensitive in nature in a more expeditious manner. They will eliminate the need to announce and convene separate general meetings from time to time to seek shareholders' approval as and when potential recurrent transactions with a Related Party arise. This will substantially reduce expenses associated with the convening of such meetings on an ad hoc basis, improve administrative efficiency and allow human resources and time to be channelled towards attaining other corporate objectives and opportunities.

Further, the Proposed Shareholders' Mandate is intended to facilitate transactions entered and to be entered into in the ordinary course of business of GCB Group which are transacted from time to time with the Related Parties which are carried out at arm's length on the Group's normal commercial terms and are not prejudicial to the interest of the shareholders of GCB and on terms not more favourable to the Related Parties than those generally available to the public and are not detrimental to the minority shareholders of GCB.

4.7 Benefits

The benefits of the Recurrent Related Party Transactions to GCB Group are as follows:

- (i) The Recurrent Related Party Transactions to be entered into by GCB Group are all in the ordinary course of business and intended to meet the business needs of GCB Group at the best possible terms so as to achieve synergistic benefits within GCB Group. As such, it is anticipated that the Recurrent Related Party Transactions would occur on a frequent and recurrent basis;
- (ii) The Related Parties, who have established the extensive network in Japan, are the distributors of the products of GCB Group. GCB Group would be able to reduce its marketing costs as well as capitalize on the extensive network of the Related Parties as its direct and indirect distribution channels to market the Group's products; and
- (iii) Where the Recurrent Related Party Transactions involve the supply of goods from the Related Parties, GCB Group is expected to benefit in terms of costs effectiveness and administrative efficiency in its procurement process. For instance, GCB Group does not keep a high level of inventories and when there is an urgent need for certain raw materials from the Related Parties on an ad hoc basis, it can procure these raw materials promptly which will reduce the stock holding cost and eventually improve the profitability of GCB Group.

4.8 Financial Effects

The Proposed Shareholders' Mandate will neither have any effects on the issued share capital and the shareholding of the major shareholders of GCB nor any material effect on the consolidated net tangible asset, net asset and the earning per share of GCB Group.

4.9 Basis of estimates

The abovementioned estimated value in respect of each transaction referred to above are based on prevailing prices obtained from the Related Parties which are reasonably market-competitive prices and are derived from the sums incurred or received during the past year, based on the normal level of transactions entered into by GCB Group. The estimated amounts are further based on the assumptions that current level of operations will continue and all external conditions remain constant.

4.10 Review Procedures and Disclosure

The Directors of GCB propose the following measures to ensure the Recurrent Related Party Transactions are undertaken on an arm's length basis and on normal commercial terms and transaction prices consistent with the Group's usual business practices and policies, which are not more favourable to the Related Parties than those extended to third parties or public and are not prejudicial to the minority shareholders:

- (i) The interested Directors and Major Shareholders will be informed and briefed by GCB Group of the procedures put in place by the management of the GCB Group in relation to transactions to be entered into by GCB Group. The interested Directors and Major Shareholders are required to declare and disclose to the Board in a timely manner on transactions in which they are deemed interested;

4.10 Review Procedures and Disclosure (Cont'd)

- (ii) Records pertaining to Recurrent Related Party Transactions will be analysed and monitored by the management of GCB Group. The status of these Recurrent Related Party Transactions will be reported by the management of GCB Group to the Audit Committee on a quarterly basis;
- (iii) The management of GCB Group will ensure that transactions are made based on terms that not more favourable to the Related Parties than those generally available to the public by considering the prevailing market prices, commercial terms of transactions with third parties, business practices and policies and on terms which are generally in line with the industry norms. At least 2 other contemporaneous quotes with unrelated third parties for similar products and/or services will be used as comparison, whenever possible, to determine whether the price and terms offered to/by the related parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products and/or services.

Where quotation or comparative pricing from unrelated third parties cannot be obtained, the transaction price will be determined by GCB based on those offered to/by other related parties for the same or substantial similar type of transaction to ensure that the Recurrent Related Party Transactions are not detrimental to GCB and the reasons for the inability to obtain such quotation or comparative pricing in the first place shall be recorded by the management;

- (iv) The internal auditors shall review and report to the Board and the Audit Committee at least on a yearly basis on the effectiveness of the control procedures established by the management to monitor the Recurrent Related Parties Transactions and provide assurance that these transactions are undertaken in accordance with the management control procedures put in for GCB Group;
- (v) The Directors having interests in any Recurrent Related Party Transactions shall abstain from Board deliberations and shall ensure that the Major Shareholders and persons connected with them are also abstained from voting on the resolution approving the transactions;
- (vi) Where any member of the Audit Committee is interested in any Recurrent Related Party Transactions, that member shall abstain from all deliberations and also voting on any matter relating to any decisions to be taken by the Audit Committee with respect to such transactions;
- (vii) Disclosure will be made in the Annual Report of GCB or in GCB Group's audited financial statements breakdown of the aggregate value, type of transactions and the names of the Related Parties involved in each type of the RRPT made and their relationship with GCB pursuant to the Proposed Shareholders' Mandate during the financial year; and
- (viii) Pursuant to Paragraph 2.5 of the Practice Note 12 of the Listing Requirements, if the actual value of the RRPT entered into by the Company exceeds the estimated value of the RRPT disclosed in this Circular by 10% or more, GCB would make an immediate announcement to Bursa Securities if the aggregate actual value of such RRPT with the same Related Party has exceeded by 10% or more.

4.11 Threshold for approval

The nature of business of GCB Group is that of manufacturer and the products are manufactured based on specifications determined and dictated by customers. Some materials are sourced from the Related Parties who are contracted to manufacture the materials based on specific specifications and/or sell materials to GCB Group for further processing. All purchases require the prior approval of the Head of Finance for international trade and Head of Purchasing for local trade.

Other than above mentioned, the threshold for approval of other Recurrent Related Party Transactions is consistent with those transactions entered into with unrelated parties. All these Recurrent Related Party Transactions are to be reviewed and approved by the Audit Committee annually.

4.12 Statement by the Audit Committee

The Audit Committee of GCB has seen and reviewed the procedures set out in Section 4.10 of this Circular and is of the view that the review procedures are appropriate to ensure that these Recurrent Related Party Transactions will be made at arm's length and is in accordance with GCB Group's commercial terms with third parties, business practices and policies and on terms generally in line with the industry norms and on terms which are not more favorable to the related party than those generally available to the public, and hence, are not prejudicial to the interests of the minority shareholders or disadvantageous to GCB Group.

The Audit Committee is also of the view that GCB Group has in place adequate procedures and processes to monitor, track and identify Recurrent Related Party Transactions in a timely and orderly manner and such procedures and processes are reviewed annually.

5. APPROVAL REQUIRED

The Proposed Shareholders' Mandate is conditional upon approval being obtained from shareholders of GCB at the forthcoming AGM.

To: The Shareholders of Guan Chong Berhad

Dear Sir / Madam,

STATEMENT TO THE SHAREHOLDERS IN RELATION TO THE PROPOSED RENEWAL OF AUTHORITY

1. INTRODUCTION

At the last AGM held on 28 May 2025, the Company obtained its shareholders' approval for the renewal of authority for GCB to purchase its own ordinary shares of up to ten percent (10%) of the issued share capital of the Company. The said approval shall, in accordance with the Listing Requirements, expire at the conclusion of the Company's forthcoming AGM.

The Board had on 15 April 2026, announced the Company's intention to seek shareholders' approval for the Proposed Renewal of Authority at the forthcoming AGM.

The purpose of this Statement is to provide you with the details of the Proposed Renewal of Authority and to seek your approval on the ordinary resolution to be tabled at the forthcoming AGM in relation to the Proposed Renewal of Authority. The Notice of AGM and the Form of Proxy have been incorporated into the Company's Annual Report 2025 and together with this Circular are available at our Company's website <http://www.gcbcocoa.com>.

YOU ARE ADVISED TO READ AND CONSIDER THE CONTENTS OF THIS CIRCULAR CAREFULLY BEFORE VOTING ON THE RESOLUTION PERTAINING TO THE PROPOSED RENEWAL OF AUTHORITY TO BE TABLED AT THE FORTHCOMING AGM.

2. DETAILS

The Company proposes to seek your approval for a renewal of the authority to purchase its own ordinary shares up to ten percent (10%) of the issued shares capital (excluding treasury shares) on Bursa Securities via stockbroker(s) to be appointed by the Board, at any time during the authorised period. The authority from our shareholders for the Proposed Renewal of Authority will be effective upon the passing of the ordinary resolution for the Proposed Renewal of Authority at the forthcoming AGM until:

- (i) the conclusion of the next AGM of the Company at which time the said authority would lapse unless renewed by ordinary resolution passed at that meeting, either unconditionally or subject to conditions; or
- (ii) the expiration of the period within which the next AGM of the Company after that date is required by law to be held; or
- (iii) the authority is revoked or varied by ordinary resolution passed by the shareholders of the Company in general meeting;

whichever occurs first.

The Company must be solvent at the date of purchase and will not become insolvent because of the debts (if any) incurred by the Company to pay for the purchase consideration in accordance with Section 127 of the Act.

Pursuant to Paragraph 12.10 of the Listing Requirements, the Proposed Renewal of Authority must be made wholly out of the retained profits of the Company. The retained profits account of the Company for the last three (3) financial years and as at the latest practicable date were as follows:

	Retained profits (RM)
As at 31 December 2023 as per audited accounts	2,366,043
As at 31 December 2024 as per audited accounts	10,692,813
As at 31 December 2025 as per audited accounts	2,929,598

The maximum amount of the funds to be allocated for the Proposed Renewal of Authority shall not exceed 5% of the retained profits of the Company for the FYE 2025. The funding will be internally generated and will not have a significant negative bearing on the cash flow position of the GCB Group as the allocation is not substantial compared to the net current assets of the Group of RM 1,654,954,884 based on its audited financial statements for the FYE 2025.

Pursuant to the Listing Requirements, the purchase price of GCB Shares cannot be more than fifteen percent (15%) above the weighted average market price of the Shares for five (5) market days immediately preceding the date of the purchase. In the case of a resale of the treasury shares on Bursa Securities, the Company may only resell any treasury shares at a price, which is:

- (i) not less than the weighted average market price of GCB Shares for five (5) market days immediately prior to the date of the resale; or
- (ii) a discounted price of not more than five percent (5%) to the weighted average market price for GCB Shares for five (5) market days immediately prior to the date of the resale, provided that:
 - (a) the resale takes place not earlier than thirty (30) days from the date of purchase; and
 - (b) the resale price is not less than the cost of purchase of the Shares being resold.

2. DETAILS (CONT'D)

In accordance with Section 127(4) of the Act, the Directors are able to deal with any Purchased Shares by the Company under the Proposed Renewal of Authority in the following manner:

- (i) to cancel the Purchased Shares; or
- (ii) to retain the Purchased Shares in treasury which is referred to as "treasury shares" in the Act; or
- (iii) to retain part of the Purchased Shares as treasury shares and cancel the remainder of the Purchased Shares.

In regards to the Purchased Shares and retain as treasury shares, the Board may decide to distribute the treasury shares as share dividends to our shareholders and/or resell the treasury shares on Bursa Securities and utilise the proceeds from the resale of the treasury shares for potential investment opportunities arising in the future or as working capital.

If the Board decides to resell the treasury shares on Bursa Securities, the Company will make an announcement on the day the resale is made, providing details of the description of the Shares resold, the number of Shares resold, the resale price of each Share resold or where relevant, the highest and lowest resale price, the total consideration received and the cumulative net outstanding treasury shares at the date of notification, where applicable.

The Proposed Renewal of Authority will allow the Board to exercise the power of the Company to purchase its Shares at any time within the abovementioned period using the internal funds of the Company and/or external borrowings. The amount of internally generated funds and/or external borrowings to be utilised will only be determined later, depending on, amongst others, the availability of internally generated funds, the actual number of Shares to be purchased and other relevant factors.

The actual number of Shares to be purchased and the timing of such purchases will depend on, amongst others, the market conditions and sentiments of the stock market as well as the retained profits and the financial resources available to the Company. In the event the Company purchases its own Shares using external borrowings, the Board will ensure that the Company has sufficient funds to repay the external borrowings and that the repayment would have no material effect on the cash flow of the Company.

3. RATIONALE AND POTENTIAL ADVANTAGES

The Proposed Renewal of Authority will enable GCB to utilise any of its surplus financial resources to purchase its own Shares from the market. It may stabilise the supply and demand of GCB Shares traded on Bursa Securities and thereby support its fundamental value.

Assuming all things being equal, any purchase of GCB Shares, regardless whether its Shares so purchased were retained as treasury shares or cancelled, would result in a lower number of GCB Shares being used for the purpose of computing the EPS. The reduced issued share capital subsequent to the Proposed Renewal of Authority may improve the Company's EPS, which in turn could be expected to benefit the shareholders.

The Purchased Shares can be held as treasury shares and resold on Bursa Securities at a higher price with the intention of realising a potential gain without affecting the total issued share capital of the Company. Should any treasury shares be distributed as share dividends, this would serve to reward the shareholders of the Company.

4. POTENTIAL DISADVANTAGES

The Proposed Renewal of Authority will temporarily reduce the financial resources of the Company. This may result in the Company foregoing other investment opportunities that may emerge in the future or, at least, deprive the Company of interest income that can be derived from funds to be utilised for the Proposed Renewal of Authority.

It may also reduce the amount of resources available for distribution in the form of dividends to the shareholders as funds are utilised to purchase its own Shares. However, the financial resources of the Company may recover and increase upon the re-selling of the Purchased Shares held as treasury shares.

Notwithstanding the above, the Board is of the view that the Proposed Renewal of Authority is not expected to have any potential material disadvantage to the shareholders as well as the Company as it will be implemented only after careful consideration of the financial resources of the GCB Group and the resultant impact on the shareholders and the Company.

5. EFFECTS OF THE PROPOSED RENEWAL OF AUTHORITY

The effects of the Proposed Renewal of Authority are as follows:

5.1 Share Capital

The effects of the Proposed Renewal of Authority on the issued share capital of GCB, based on the following scenarios, are as follows:

	Minimum Scenario
	No. of shares
As at LPD ⁽¹⁾	2,740,534,131
Proposed Renewal of Authority (assuming all GCB Shares purchased are fully cancelled)	<u>(274,053,413)</u>
Balance after the Proposed Renewal of Authority	<u><u>2,466,480,718</u></u>

Note:

⁽¹⁾ Excluding 933,333 GCB Shares held as treasury shares

In the event GCB Shares purchased are retained as treasury shares, the Proposed Renewal of Authority will not affect the issued share capital of GCB but the rights attached to them in relation to voting, dividends and participation in any other distributions or otherwise are suspended and the treasury shares shall not be taken into account in calculating the number or percentage of shares or of a class of shares in the Company for any purposes including calculation of substantial shareholdings, take-overs, notices, the requisitioning of meetings, calculation of quorum for meetings and the result of a vote on a resolution at meeting.

5. EFFECTS OF THE PROPOSED RENEWAL OF AUTHORITY (CONT'D)

5.2 NA

The consolidated NA of the Company may increase or decrease depending on the number of GCB Shares purchased under the Proposed Renewal of Authority, the purchase prices of its Shares, the effective cost of funding and the treatment of its Shares purchased under the Proposed Renewal of Authority.

The Proposed Renewal of Authority will reduce the consolidated NA per Share when the purchase price exceeds the consolidated NA per Share at the time of purchase. On the contrary, the consolidated NA per Share will increase when the purchase price is less than the consolidated NA per Share at the time of purchase.

If the Shares purchased under the Proposed Renewal of Authority are held as treasury shares and subsequently resold on Bursa Securities, the consolidated NA per Share would increase if the Company realises a gain from the resale or vice versa. If the treasury shares are distributed as share dividends, it will decrease the Group's NA by the cost of the treasury shares.

5.3 Working Capital

The Proposed Renewal of Authority will reduce the working capital and cash flow of GCB Group, the quantum of which will depend on the purchase prices of its Shares, the actual number of Shares purchased and any associated costs incurred in making the purchase. For Shares purchased which are kept as treasury shares, upon their resale, the working capital and cash flow will increase. The quantum of the increase in the working capital and cash flow will depend on the actual selling price(s) of the treasury shares and the number of treasury shares resold.

5.4 Earnings

The effect of the Proposed Renewal of Authority on the consolidated EPS of the Company will depend on the purchase prices paid for its Shares, the effective funding cost to GCB Group to finance the purchases of its Shares or any loss in interest income to GCB Group, if internally generated funds are utilised to finance the purchase of its Shares.

Assuming that any Purchased Shares are retained as treasury shares and resold on Bursa Securities, the effects on the consolidated earnings of the Company will depend on the actual selling price, the number of treasury shares resold and the effective gain or interest savings arising from the exercise.

5.5 Dividends

The Proposed Renewal of Authority is not expected to have any impact on the policy of the Board in recommending dividend, if any, to the shareholders. However, the Board may distribute future dividends in the form of the treasury shares purchased pursuant to the Proposed Renewal of Authority.

5.6 Interest of Directors, Major Shareholders and/or persons connected with them

8. PUBLIC SHAREHOLDING SPREAD

The Proposed Renewal of Authority will be carried out in accordance with the prevailing laws at the time of the purchase including compliance with the requirement of 25% public shareholding spread under Paragraph 8.02(1) of the Listing Requirements.

As at LPD, the public shareholding spread of our Company based on the issued share capital of 2,740,534,131 GCB Shares (after excluding a total of 933,333 GCB Shares held as treasury shares) was 27.60%. Our Board will ensure that our Company complies with the minimum public spread of 25% in implementing the Proposed Renewal of Authority.

The proforma effects of the Proposed Renewal of Authority on the public shareholdings spread of our Company assuming the Proposed Renewal of Authority is carried out in full and there is no change in the number of Shares held by Directors, Major/Substantial Shareholders and Persons Connected to the Directors and/or Major/Substantial Shareholders, are as follows:

	Public shareholdings	
	No. of Shares	%
As at LPD ⁽¹⁾	2,740,534,131	27.60
If our Company implemented the Proposed Authority in full ⁽²⁾	2,466,480,718	19.56

Notes:

⁽¹⁾ Taking into consideration the 933,333 GCB Shares in the Company's Share Buy-Back Account retained as treasury shares as at LPD.

⁽²⁾ Assuming that 274,053,413 Shares (being the maximum number of Shares that could be purchased in the Company's Share Buy-Back Account as at LPD) are bought back and retained as treasury shares

As illustrated above, our Board noted the possibility that the Required Public Shareholdings Spread will not be met in the event our Company purchases up to ten percent (10%) of the total number of issued shares. Hence, in compliance with Paragraph 12.14 of the Listing Requirements, our Board will ensure that our Company complies with the Required Public Shareholding Spread at all times and shall not make the decision to buy back our Company's own shares if the purchase would result in the Required Public Shareholdings Spread not being met.

9. IMPLICATION OF THE CODE

Our Company does not intend to undertake the Proposed Renewal of Authority such that it will trigger any obligation to undertake a mandatory offer pursuant to the Code. However, in the event an obligation to undertake a mandatory offer is to arise with respect to any party resulting from the Proposed Renewal of Authority, the relevant parties shall make the necessary application to the Securities Commission for a waiver to undertake a mandatory offer pursuant to the Code.
